

Dymo Twin Turbo 400 LabelWriter

LabelWriter Twin Turbo

Imagine twice the features and twice the productivity! The LabelWriter Twin Turbo gives you exactly that. Designed for those who use a wide variety of labels, or those with large batch printing needs, this printer is perfect. It offers the fastest print speed in its class. Prints labels up to 2-1/4" wide (56 mm) at a whopping one second per label, up to 1000 labels at once.

SKU: AH-1002

Highlights

Features & Benefits

- Eliminates the hassle of printing labels with a standard office printer.
- Direct thermal printing means you never change a ribbon, toner or ink cartridges. The only supplies you ever need are the labels.
- Super fast print speed. 1 second per label, 55 labels per minute. Very quiet.
- 2 rolls of labels available at all times. If using the same labels on both rolls, software automatically switches from one roll to the other if first roll of labels runs out.
- High resolution printing means crisp text, graphics, photos and bar codes.

Specifications

- 300 dpi resolution printing means crisp text, graphics, photos and bar codes.
- Prints Code 39, Code 128, Codabar, UPC A/E, EAN 8/13/128, ITF-14 and Interleaved 2 of 5 barcodes.
- Works with Windows 98, 2000, Me, XP and Mac OS X(10.2.8 or later).
- Connects to a USB port. Cable included.
- Package Contents: Printer, power supply, USB cable, Windows and Macintosh software and Users Guide on CD-ROM, printed Quick Start Guide, one roll of address labels and one roll of shipping labels.
